Disclaimer. This is a fictional, synthetic document created solely to test a retrieval-augmented College Information Chatbot (research prototype). It does not represent, reproduce or summarise any actual policy of Sardar Patel Institute of Technology. All names, figures, dates, contact details and procedures are invented.

1. Purpose and Scope

1.1 These rules govern admission to, residence in and conduct within the hostels of Sardar Patel Institute of Technology for the academic year 2026–27. Every resident and the resident's parent or guardian must sign the Hostel Undertaking (Annexure form H-1, available on the Student Portal) confirming that they have read and accepted these rules.

1.2 These rules replace the Hostel Rules and Regulations, Version 2.2 (SPIT-CA-HST-2024-01). The principal changes are listed in Section 15.

1.3 Breaches of these rules are dealt with first by the Warden under Section 12. Serious breaches, and all cases of ragging, are dealt with under the Code of Conduct and Disciplinary Rules (SPIT-CA-COC-2026-01).

2. Hostel Administration

2.1 The hostels are administered by the Chief Warden, assisted by a Warden for each block, Resident Assistant Wardens (faculty or staff living on campus), a Hostel Superintendent (administrative officer) and security staff.

2.2 The Hostel Management Committee consists of the Dean of Student Affairs (Chairperson), the Chief Warden (Member-Secretary), the Wardens, the Registrar or nominee, the Medical Officer and two student representatives from each block (one of whom must be a woman for Block C). It meets at least once every semester.

2.3 Each block elects a Block Committee of four residents in the first four weeks of the odd semester. The Block Committee assists the Warden in mess management, maintenance complaints and cultural activities.

3. Hostel Blocks and Capacity

3.1 The institute has three hostel blocks for 2026–27.

Block	Residents	Rooms	Room types	Total capacity
Block A	Men – first-year UG (FE)	70	Triple sharing	210
Block B	Men – second year onwards (UG and PG)	90	60 double sharing, 30 triple sharing	210
Block C	Women – all years (UG and PG)	85	55 double sharing, 30 triple sharing	200

3.2 Each room is furnished with one bed, mattress, study table, chair and cupboard per resident, a ceiling fan and Wi-Fi access. Each floor has a common water purifier, a washing machine room and a common room with a television.

3.3 PhD scholars are accommodated in Block B or Block C, subject to availability, after allotment to UG and PG students is complete.

4. Eligibility and Admission

4.1 Hostel accommodation is not guaranteed. Only students enrolled in a full-time programme of the institute are eligible to apply.

4.2 **Distance criterion.** A student whose permanent residential address (as recorded in the admission documents) is within 40 km road distance of the campus is not eligible for hostel accommodation, except under Section 4.5.

4.3 **Application.** Applications are submitted online through the Student Portal (portal.spit.example) in the "Hostel Admission" module. The schedule for 2026–27 is:

Activity	Returning students (SE, TE, BE, second-year PG)	First-year students (FE, first-year PG)
Online application window	1 June – 15 June 2026	Within 5 days of confirming admission, last date 31 July 2026
Provisional allotment list	25 June 2026	5 August 2026 (Round 1), 12 August 2026 (Round 2)
Fee payment deadline	7 July 2026	7 days from the date of allotment
Reporting and room occupancy	15 – 18 July 2026	As stated in the allotment letter

4.4 **Allotment criteria.** Seats are allotted category-wise in proportion to the institute's admission reservation policy and, within each category, in the following order of priority:

- first-year students: by distance of permanent residence from campus (greater distance gets higher priority), with ties broken by merit rank at admission;

- returning students: by CGPA up to the previous semester, provided the student has no pending Category B or Category C disciplinary penalty and no record of hostel rule violations in the previous year resulting in a fine above ₹2,000;
- students with a benchmark disability (40% or more), as certified, are given priority allotment on the ground floor irrespective of distance or CGPA.

4.5 **Exceptions.** The Chief Warden may allot a room to a student who does not meet the distance criterion in exceptional circumstances (for example, documented medical need, a parent transferred out of the city, or a student who is an orphan) if seats remain after regular allotment.

4.6 Allotment is for one academic year only (until 31 May 2027). Residents must apply afresh each year; previous residence does not guarantee re-allotment.

4.7 **Documents required at reporting:** allotment letter, fee payment receipt, signed Hostel Undertaking (H-1), medical fitness certificate in the prescribed form, two passport-size photographs, copy of the institute identity card, copy of a government photo identity document, and the anti-ragging undertakings described in Section 13.3.

5. Hostel Fees and Deposits for 2026–27

5.1 Hostel fees are charged per academic year and are separate from the tuition fee. The amounts for 2026–27 are:

Component	Triple sharing	Double sharing	Remarks
Room rent (annual)	₹66,000	₹78,000	Includes electricity up to the room limit, water, Wi-Fi, housekeeping of common areas
Mess charges (annual)	₹54,000	₹54,000	Compulsory for all residents; four meals a day
Hostel establishment and maintenance charge (annual)	₹6,000	₹6,000	Non-refundable
Security deposit (one-time)	₹10,000	₹10,000	Refundable, see Section 5.5
Total payable for a new resident	₹1,36,000	₹1,48,000	–
Total payable for a returning resident (deposit already paid)	₹1,26,000	₹1,38,000	–

5.2 Fees may be paid in full by the deadline in Section 4.3 or in two instalments: the first instalment (room rent, establishment charge, security deposit and 50% of mess charges) by the deadline, and the second instalment (remaining 50% of mess charges) by 15 December 2026.

5.3 **Late payment.** A late fee of ₹100 per day is charged for payment after the deadline, up to a maximum of ₹3,000. If the first instalment is not paid within 30 days of the deadline, the allotment is cancelled and the room is offered to the next student on the waiting list. If the second instalment is unpaid by 15 January 2027, the resident's mess access is suspended until payment.

5.4 **Refund on withdrawal.** Refund of hostel fees on withdrawal from the hostel or from the institute is governed by the Fee Refund Policy for 2026–27. The establishment and maintenance charge is not refundable in any case.

5.5 **Security deposit refund.** The security deposit is refunded, after deducting any damages or unpaid dues, within 30 days of the resident vacating the hostel permanently, provided the resident has (a) returned the room keys and furniture in good condition, (b) obtained hostel no-dues from the Hostel Superintendent and (c) obtained library no-dues as required by the Library Rules and Regulations (SPIT-CA-LIB-2026-01). The deposit is forfeited if the resident does not claim it within one year of leaving.

5.6 **Mess rebate.** A resident who is away from the hostel with approved leave for 7 or more consecutive days receives a mess rebate of ₹150 per day, credited at the end of the semester. No rebate is given for absence during declared vacations, because the mess is closed and mess charges already exclude vacation periods.

6. Room Allotment, Occupancy and Room Change

6.1 Rooms are allotted by the Warden. Residents may indicate a preferred roommate in the application; preferences are accommodated where possible but are not guaranteed.

6.2 Room change during the year is permitted only once, in the window 1 – 15 January 2027, on written application to the Warden with the consent of all affected residents. A room change outside this window is permitted only on medical grounds or by order of the Warden.

6.3 Residents may not sub-let a room, allow another person to stay in their room or exchange rooms without the Warden's written permission.

6.4 The hostel is closed during the summer vacation from 1 June 2027. Residents must vacate their rooms and remove all belongings by 31 May 2027. Students with approved summer internships, research work or remedial examinations in Mumbai may apply for summer accommodation by 30 April 2027; summer accommodation, if granted, is provided in Block B (men) or Block C (women) at ₹4,500 per month for room rent, with meals on a pay-per-meal basis.

6.5 During the winter break between the odd and even semesters, the hostel remains open but the mess may operate a reduced menu.

7. In-Time, Leave and Night-Out

7.1 **In-time.** All residents of all blocks must be inside their hostel block by 22:30 every day. The main gate of each block is closed at 22:30 and opened at 05:30. The same in-time applies to men and women residents.

7.2 **Attendance roll call.** A biometric attendance check is taken at the block entrance; residents must record attendance between 21:00 and 22:30 every day they are in the hostel.

7.3 **Late entry.** A resident returning after 22:30 must enter details in the late-entry register at the security desk. Late entry for academic reasons (laboratory work, a recognised club event that ends after 21:30, a hospital visit, or study in the library's Main Reading Hall during its extended examination-period hours until 23:00, verified from the library exit record) is excused if supported by the faculty in charge or medical evidence within 2 working days. Unexcused late entries are dealt with under Section 12.

7.4 **Institute events.** For institute events approved to run until 22:00 under the Student Clubs and Societies Handbook (SPIT-CA-CLB-2026-01), residents must still return to their block by 22:30.

7.5 **Night-out and weekend leave.** A resident who wishes to stay outside the hostel overnight must apply through the "Hostel Leave" module of the Student Portal by 18:00 on the day of leaving. For residents below 21 years of age, the application is approved only after the parent or guardian confirms it through the registered mobile number or e-mail. A resident may not take more than 8 night-outs in a calendar month without the Warden's specific approval; vacation leave is not counted.

7.6 **Long leave.** Leave of 3 or more consecutive days requires approval by the Warden and must be applied for at least 2 days in advance, except in emergencies.

7.7 Absence from the hostel overnight without approved leave is treated as unauthorised absence. The Warden will inform the parent or guardian on the same night.

8. Visitors and Guests

8.1 Visitors (including parents) may meet residents only in the visitors' lounge of each block, between 09:00 and 20:00 on all days. Visitors must register at the security desk with a government photo identity document.

8.2 Visitors are not permitted in residents' rooms, except parents or guardians on the reporting day and the vacating day, between 09:00 and 18:00.

8.3 Residents of one block may not enter the residential floors of another block. Residents of Block A and Block B may not enter Block C beyond the visitors' lounge, and residents of Block C may not enter Blocks A and B beyond the visitors' lounges.

8.4 Overnight guests are not permitted. Parents travelling from outside Maharashtra may be accommodated in the institute guest house on payment, subject to availability, by booking through the Hostel Superintendent at least 3 days in advance.

9. Mess Rules

9.1 The mess serves four meals daily at the following times. Timings may be changed for examinations or festivals by notice.

Meal	Monday – Saturday	Sunday and holidays
Breakfast	07:15 – 09:15	08:00 – 10:00
Lunch	12:15 – 14:15	12:30 – 14:30
Evening snacks	17:00 – 18:00	17:00 – 18:00
Dinner	19:30 – 21:30	19:30 – 21:30

9.2 The mess menu is prepared monthly by the Mess Committee (the Warden and one Block Committee member from each block) and displayed on the notice board and the Student Portal. Both vegetarian and Jain meal options are provided at every meal; a non-vegetarian option is served at lunch on Wednesdays and dinner on Sundays.

9.3 Food may not be taken out of the mess, except to deliver a meal to a resident who is ill, with the Warden's or Medical Officer's note.

9.4 Complaints about food quality or hygiene are recorded in the mess complaint register or the "Mess Feedback" form on the Student Portal. The Mess Committee reviews complaints every week.

9.5 Cooking in rooms is prohibited. Online food delivery is permitted only up to the security desk and only until 22:00.

10. Room Use, Electrical Appliances and Prohibited Items

10.1 Residents are responsible for keeping their rooms clean. Housekeeping staff clean corridors, common rooms and washrooms daily.

10.2 **Permitted appliances:** laptop, mobile phone chargers, table lamp (LED, up to 15 W), electric shaver or trimmer, and a personal hair dryer used only in the washroom area.

10.3 **Prohibited items and activities:**

- cooking appliances of any kind (induction cooktops, electric kettles, rice cookers, heaters, immersion rods) and room heaters or air-conditioners;
- alcohol, tobacco products, e-cigarettes, narcotic or psychotropic substances;
- firearms, knives or any other weapons, explosives, fire crackers and inflammable material;
- pets of any kind;
- gambling, betting or playing games for money;
- loud music or any activity that disturbs other residents between 22:30 and 06:00 (quiet hours);
- pasting posters on walls, driving nails or modifying electrical wiring;

- motor vehicles parked anywhere other than the designated hostel parking (two-wheelers only, with a hostel parking sticker).

10.4 Prohibited appliances found in a room are confiscated and returned only to the parent or guardian at the end of the semester. Possession or use of alcohol, tobacco or drugs in the hostel is a Category B or Category C offence under the Code of Conduct and Disciplinary Rules (SPIT-CA-COC-2026-01).

11. Inspection, Maintenance and Damages

11.1 The Warden, Resident Assistant Warden or a person authorised by the Chief Warden may inspect any room at any time, in the presence of at least one occupant where possible. Inspection of a room in Block C is carried out only by a woman Warden or woman staff member.

11.2 Maintenance requests (electrical, plumbing, carpentry, Wi-Fi) are logged through the "Hostel Maintenance" module on the Student Portal. Routine requests are attended to within 3 working days; urgent requests (no water, electrical hazard, broken door lock) within 24 hours.

11.3 Damage to hostel property is recovered from the resident responsible. If the person responsible cannot be identified, the cost is divided equally among the occupants of the room or, for common areas, among the residents of the floor.

11.4 Each room's furniture and fittings are recorded in an inventory form at the time of occupancy, signed by the resident. Any discrepancy at the time of vacating is charged against the security deposit.

12. Breach of Hostel Rules and Penalties

12.1 The Warden may impose the following penalties for breaches of these rules. Fines are paid through the Student Portal and are recorded in the resident's hostel record.

Breach	First instance	Second instance	Third and further instances
Unexcused late entry after 22:30	Written warning; parent informed	Fine ₹500	Fine ₹1,000 and referral to the Chief Warden

12.2 The Chief Warden may cancel the hostel allotment of a resident who has been fined three or more times in one semester, after giving the resident an opportunity to be heard. Cancellation for disciplinary reasons does not entitle the resident to any refund of room rent for the remainder of the year.

12.3 A resident may appeal against a fine of ₹2,000 or more, or against cancellation of allotment, to the Dean of Student Affairs within 7 working days of the decision. Appeals against decisions of the Disciplinary Committee follow the appeal procedure in the Code of Conduct and Disciplinary Rules.

13. Anti-Ragging, Safety and Health

13.1 Ragging in any form is strictly prohibited inside and outside the hostel. Ragging is a Category C (grave) offence and is dealt with under Section 6 of the Code of Conduct and Disciplinary Rules (SPIT-CA-COC-2026-01) and the applicable UGC anti-ragging regulations.

13.2 Block A (first-year residents) is supervised by a dedicated Resident Assistant Warden and the Anti-Ragging Squad conducts surprise checks, particularly during the first eight weeks of the odd semester. Senior students are not permitted to enter Block A without the Warden's written permission.

13.3 Every resident and the resident's parent or guardian must submit the online anti-ragging undertaking before reporting to the hostel, and the acknowledgement must be submitted with the reporting documents.

13.4 **Medical care.** A Medical Officer is available at the campus health centre from 09:00 to 17:00 on working days. Outside these hours, residents contact the security desk, which arranges transport to the empanelled hospital. Residents must keep their emergency contact details current on the Student Portal.

13.5 **Fire safety.** Fire drills are conducted once every semester; attendance is compulsory. Tampering with fire extinguishers, smoke detectors or emergency exits is a Category B offence.

13.6 **Counselling.** The institute counsellor holds sessions in the hostel common room on Tuesday and Thursday from 18:00 to 20:00. Appointments can also be booked through the Student Wellness Centre.

14. Vacating the Hostel

14.1 Residents leaving the hostel permanently (on completion of the programme, withdrawal or cancellation of allotment) must:

- apply for vacating through the Student Portal at least 7 days in advance;
- return the room key and have the room inventory verified by the Hostel Superintendent;
- clear all mess and hostel dues and obtain hostel no-dues;
- obtain library no-dues clearance.

14.2 Belongings left behind after the vacating date are removed and stored for 30 days at the resident's risk, after which they are disposed of.
