4.5 TFWS Students – Category C

TFWS students pay no tuition fee. They pay Development, Examination, Library and Laboratory, Gymkhana, Insurance and Medical, and Training and Placement fees (Rs 37,000 per year). In Year 1 they also pay the one-time fees, so the Year 1 payable is **Rs 50,500** (Rs 37,000 + Rs 13,500) for every B.Tech programme. From Year 2 onwards the payable is Rs 37,000 per year.

8. Waivers and Scholarships (Summary)

TFWS seats are 5% of the sanctioned intake of each B.Tech programme. TFWS applicants must meet the family-income limit of Rs 8,00,000 per annum. Institute scholarships (Merit Excellence, Need-Based, Sports and Cultural, Alumni Endowed and Emergency Hardship) reduce the tuition fee or provide fee credits. The full eligibility rules are in SPIT/DSA/SCH/2026-27/004. A waiver never reduces non-tuition fees, with the exception of the Emergency Hardship Fund and the fee credits described in that document.

9. Fee Revision Policy

1. SPIT reviews fees every academic year. Revised fees apply to all students, new and continuing, from the effective date of the new document.
2. The annual increase in tuition fee for continuing students will not exceed 5% of the previous year's tuition fee. The increase for AY 2026–27 is Rs 8,000 per programme, which is between 3.6% and 4.0% depending on the programme.
3. The Accounts and Fee Section will publish the next fee structure on the ERP and the Institute notice boards at least 45 days before the Instalment 1 due date.
4. Fees are not revised during an academic year.
