# 1. Purpose and Scope

This document sets out when and how SPIT students must pay fees in AY 2026–27, the instalment amounts, the late payment penalty and the consequences of non-payment. It applies to all B.Tech and M.Tech students. Fee **amounts** are defined in SPIT/ACC/FEE/2026-27/001 (Version 3.0). If this document and the fee structure differ on an amount, the fee structure prevails. If they differ on a due date, penalty or payment procedure, this document prevails.

# 2. Payment Schedule and Due Dates

Fees are paid in two instalments unless the student pays the full annual amount at once or belongs to Category D (see below).

| Student Group | Instalment 1 Due Date | Instalment 2 Due Date |
|---|---|---|
| Continuing B.Tech students (Years 2, 3, 4) and continuing M.Tech students (Year 2) | Friday, 24 July 2026 | Friday, 8 January 2027 |

| New students (Year 1, DSE, vacancy rounds) whose admission is confirmed after 7 August 2026 | Within 7 calendar days of the admission confirmation date | Friday, 8 January 2027 |
| Category D (Institute-Level / NRI / OCI / PIO / Foreign National) | Full annual fee on the Instalment 1 date applicable to the student group above | Not applicable |
| TFWS students (no tuition fee) | Entire payable amount on the Instalment 1 date applicable to the student group above | Not applicable |

Odd semester teaching starts on Monday, 3 August 2026 for Years 2–4 and Monday, 17 August 2026 for Year 1. Even semester teaching starts on Monday, 11 January 2027.

If a due date falls on a public holiday or Institute holiday, it moves to the next working day.

# 3. Instalment Amounts

## 3.1 Rule

- **Instalment 1** = 60% of the tuition fee + all recurring fees other than tuition + (for new students only) the one-time fees of Rs 13,500.

- Where a scholarship or waiver reduces the tuition fee, the 60:40 split applies to the **net tuition fee** after the waiver.

The ERP shows each student's exact invoice after waivers are applied.

## 4. Payment Modes and Procedure

| Mode | Details | When Payment Is Recognised |
|---|---|---|
| ERP online payment (UPI, net banking, debit card) | Log in to the ERP, open Fee Payment, select the instalment and pay. No convenience charge. | Date and time of successful transaction |
| ERP online payment (credit card) | Same process. A convenience charge of 1.2% of the transaction amount is payable by the payer. | Date and time of successful transaction |
| NEFT / RTGS | Use the Institute bank account details displayed in the ERP under Fee Payment, Offline Payment Details. Quote the student ERP ID in the remarks. Enter the UTR number in the ERP within 2 working days. | Date of initiation, provided the UTR is entered within 2 working days and the amount is credited within 3 working days |

| Mode | Details | When Payment Is Recognised |
|---|---|---|
| Demand Draft (DD) | In favour of SPIT Academic Fee Account, payable at Mumbai. Write the student name and ERP ID on the reverse. Submit at the Accounts counter (Room AB-004) between 10:00 and 16:00 on a working day. | Date of submission at the counter |

Cash and personal cheques are **not accepted**. Online payments made up to 23:59 on the due date are on time. Counter submissions close at 16:00 on the due date.

Payments may be made by a parent or guardian, but the student ERP ID must be quoted. Part payments of an instalment are not accepted unless the Accounts Officer approves in writing in advance. Each instalment must be paid in a single transaction (or a single DD).

There is no discount for early or full-year payment. A student who pays the full annual amount by the Instalment 1 due date owes no Instalment 2.

## 5. Receipts, Failed Transactions and Duplicate Payments

1. A fee receipt is generated automatically in the ERP within 24 hours of a successful online payment. For NEFT/RTGS and DD payments, the receipt is issued within 2 working days of recognition.
2. If money is debited but the ERP does not show the payment within 2 working days, raise a ticket on the ERP Fee Helpdesk with the transaction ID and a screenshot or bank statement. The Accounts and Fee Section reconciles within 3 working days. If the payment is confirmed, the receipt carries the original transaction date and **no penalty applies**.
3. If the bank has not reversed a failed transaction within 7 working days, the student may claim through the Fee Helpdesk.
4. Duplicate or excess payments are refunded in full to the source account within 7 working days of verification (see SPIT/ACC/REF/2026-27/003).
5. A duplicate fee receipt costs Rs 100.

## 6. Late Payment Penalty

The penalty is a **flat slab amount per instalment** based on the number of calendar days between the due date and the date payment is recognised. Slabs are not cumulative: only the single slab matching the date of actual payment applies.

| Level | Days After Due Date | Penalty per Instalment (Rs) |
|---|---|---|
| 1 | 1 to 7 days | 500 |
| 2 | 8 to 15 days | 1,500 |
| 3 | 16 to 30 days | 3,000 |
| 4 | 31 to 45 days | 5,000 |
| 5 | 46 to 60 days | 5,000, plus Reinstatement Fee of 5,000 |
| 6 | More than 60 days | 5,000, plus Reinstatement Fee of 5,000, subject to Principal's decision under Section 7 |

The maximum penalty for a single instalment is Rs 5,000, excluding the Reinstatement Fee. Example: a continuing CE student pays Instalment 1 on Tuesday, 11 August 2026, which is 18 days after the due date of 24 July 2026 (Level 3). The penalty is Rs 3,000 and the total paid is Rs 1,69,000 + Rs 3,000 = Rs 1,72,000.

Penalties are payable together with the overdue instalment. They are not eligible for scholarship waivers.

## 7. Consequences of Non-Payment

| Level | Consequences |
|---|---|
| 1 (Days 1–7) | Email and SMS reminders to student and parent on Day 1 and Day 5 |
| 2 (Days 8–15) | Name appears on the ERP defaulter list; library borrowing suspended; bonafide and other certificates not issued (except fee-related); registration and participation on the Placement Portal blocked |
| 3 (Days 16–30) | All of Level 2; scholarship and award disbursements withheld; not eligible to hold or contest club or Gymkhana positions; notice sent to parent by registered post |

| Level | Consequences |
|---|---|
| 4 (Days 31–45) | All of Level 3; end-semester hall ticket will not be issued; registration for the next semester blocked |
| 5 (Days 46–60) | Provisional cancellation of enrolment for the semester: barred from classes, laboratories and examinations, and ERP access suspended. Reinstatement requires payment of all dues, penalty and the Rs 5,000 Reinstatement Fee, with approval from the Registrar. |
| 6 (Day 61 onwards) | Show-cause notice issued. If there is no satisfactory reply within 7 calendar days, the Principal may terminate the admission. Dues remain recoverable and original documents are returned only after all dues are cleared. |

Consequences are lifted within 2 working days of full payment of the instalment and penalty.

## 8. Extension of Due Date

1. A student facing hardship (loss of family income, medical emergency, bereavement) may apply on ERP Form FEE-02 (Instalment Extension Request) **at least 3 working days before the due date**, with supporting documents.
2. The Fee Grievance Committee (FGC) decides within 3 working days. The FGC is chaired by the Registrar and includes the Accounts Officer, the Dean (Student Affairs) and one faculty representative.
3. The maximum extension is 30 calendar days from the original due date. Only one extension is allowed per student per academic year. No penalty applies if payment is made by the extended date.
4. **Education loans:** a student with a sanctioned education loan may submit the sanction letter on ERP Form FEE-04 before the due date. The due date is then deferred by up to 45 calendar days to allow loan disbursement. This deferral is separate from the hardship extension.

## 9. Waiver of Late Penalty

The FGC may waive the late penalty, in full or part, only for documented medical emergency, bereavement or proven payment-gateway or bank fault. The student must apply on ERP Form FEE-03 within 10 working days of making the payment. The FGC

decides within 7 working days. A waiver granted once is not a precedent for later instalments.

## 10. No-Dues Certificate

A No-Dues Certificate (Form ND-01) is issued by the Accounts and Fee Section within 3 working days of a request, provided there are no outstanding fees, penalties, library fines or damage charges. It is mandatory for Caution Deposit refund, refund of fees on cancellation, and issue of a Transfer / Leaving Certificate.
