4. Scheme Details

4.1 TFWS – Tuition Fee Waiver Scheme

TFWS seats are 5% of the sanctioned intake of each B.Tech programme. A student on a TFWS seat must have a family income of up to Rs 8,00,000 per year, supported by an income certificate issued on or after 1 April 2026. The tuition fee is waived for the full

duration of the programme. TFWS students pay all other fees. Their Year 1 payable is Rs 50,500, and Rs 37,000 per year thereafter (see SPIT/ACC/FEE/2026-27/001). TFWS students are not eligible for MES or NBFA because their tuition fee is already nil.

4.2 Merit Excellence Scholarship (MES)

MES is awarded at admission to Year 1 B.Tech students based on the percentile in the entrance examination used for admission (MHT-CET or JEE Main, whichever the student used). It is awarded for the full programme, subject to the continuation criteria below. A maximum of **30 MES awards** is made per admission batch across the Institute.

Tier	Entrance Percentile	Tuition Waiver	Maximum Awards per Batch	Minimum CGPA for Continuation
Tier 1	99.50 and above	100%	5	8.50
Tier 2	99.00 to 99.49	50%	10	8.00
Tier 3	98.00 to 98.99	25%	15	7.50

Continuation rules:

1. CGPA is reviewed at the end of each academic year after the Semester II, IV and VI results. The student must also have no active backlog and at least 75% attendance in each semester.
2. If the criteria are not met, the award lapses for the next academic year. It can be regained once, if the criteria are met at the following review.
3. If more eligible students than awards exist in a tier, ranking is by percentile, then by Year 1 admission merit rank.
4. Example: a Tier 2 student in CE has net tuition of Rs 1,10,000 and pays Rs 1,03,000 in Instalment 1 and Rs 44,000 in Instalment 2 (Rs 1,47,000 in total on top of the non-tuition fees already included in Instalment 1; see SPIT/ACC/PAY/2026-27/002, Section 3.5).

4.3 Need-Based Financial Assistance (NBFA)

Family Income per Year	Maximum Tuition Waiver
Up to Rs 6,00,000	50%
Rs 6,00,001 to Rs 8,00,000	25%

Family Income per Year	Maximum Tuition Waiver
Above Rs 8,00,000	Not eligible

Eligibility:

- CGPA of at least 6.00 at the last completed review (not applicable to Year 1 students), no active backlog, and attendance of at least 75% in the previous semester.
- Not holding TFWS, MES or SCES tuition waivers. A student eligible for more than one may choose the highest-value waiver.
- The waiver is reviewed every year. A maximum of 60 NBFA awards are made per academic year, ranked by lowest family income and then by CGPA.

4.4 Sports and Cultural Excellence Scholarship (SCES)

Level of Achievement (previous 12 months)	Benefit
Medal or first-three position at an international event	50% tuition waiver
Medal or first-three position at a national event	25% tuition waiver
Medal or first-three position at a state-level event	Fee credit of Rs 15,000 (one time)

The achievement must be certified by a recognised federation or body. The student must have CGPA of at least 6.50 and 75% attendance. A maximum of 20 SCES awards are made per year, and each is valid for one academic year only. A fresh application with a new achievement is needed to renew it.

4.5 Academic Topper Award

In each programme, the top three students by CGPA for the previous academic year (Years 2, 3 and 4) receive Rs 30,000, Rs 20,000 and Rs 10,000 respectively. The CGPA must be at least 8.50 with no active backlog. The awards are declared by Monday, 31 August 2026 and paid by NEFT within 30 calendar days of declaration.

4.6 Alumni Endowed Scholarship

Ten students per year receive a fee credit of Rs 50,000 each, adjusted against Instalment 2. Eligibility: continuing student, CGPA of at least 7.00, family income up to Rs 8,00,000, and no active backlog. The SFAC selects recipients on merit and need.

4.7 Emergency Hardship Fund (EHF)

A one-time grant of up to **Rs 25,000 per student per academic year** is available when a student faces a sudden crisis, such as the death or serious illness of an earning parent, loss of family employment, accident or natural calamity. The Dean (Student Affairs) verifies the case and decides within **10 working days** of a complete application on Form SA-03. The grant may be paid to the student's bank account or adjusted against fee dues, at the student's choice. This scheme is open throughout the year.

4.8 Campus Work-Study Programme

NBFA holders with CGPA of at least 6.50 may work up to 10 hours per week in laboratories, the library or administrative offices, outside class hours. The stipend is Rs 120 per hour, capped at Rs 12,000 per semester, paid monthly. Work-study must not reduce attendance below 75%.

5. Combination Rules

1. A student may hold **only one tuition waiver** at a time: TFWS, MES, NBFA or SCES.
2. A student may additionally receive one Academic Topper Award, one Alumni Endowed Scholarship and the EHF.
3. Total waivers and fee credits can never exceed the fees actually payable by the student.
4. Waivers apply to the tuition fee only. The Rs 37,000 of non-tuition recurring fees and the one-time fees are still payable, but fee credits and EHF grants may be used against any dues.
5. Late-payment penalties are not waived by any scholarship.
