7. Company Eligibility and Offer Tiers

7.1 Company Rules

- The minimum CTC for an on-campus full-time role is **Rs 4.5 LPA**. Drives below this level are not scheduled.
- Internship drives must offer a stipend of at least Rs 20,000 per month.
- Companies may set a minimum CGPA cut-off of up to **8.0** only. Cut-offs may not discriminate on gender, category or programme unless the role requires specific skills.
- The T&P Cell does not invite companies that impose a service bond longer than 24 months or ask for a security deposit.
- Companies must provide the job description, CTC break-up and bond terms before the drive is confirmed.

3. Withdrawing from an accepted offer without a higher-tier upgrade is a violation. The student is debarred from all remaining placement activities in the season, and the incident is recorded.
4. The T&P Cell may share verified offer data with the Registrar's Office and the department for records.
